What Distinguishes Us

Total Healthcare Staffing, Corporation is a financially sound VOSB with strong military roots whose corporate leadership is entirely comprised of prior military medical personnel. MSS' success in providing high quality services and value to the Federal Government has allowed us to experience significant growth with capital resources for operations and expansion. THS started with a focus in providing nurse services. The company has since capitalized on its growth in the healthcare outsourcing services to provide comprehensive healthcare staffing services to commercial clients and multiple government agencies.

As a rapidly-growing healthcare provider, our practice of maximizing support through strategic partnerships with reputable healthcare industry leaders ensures we remain a reliable, trusted provider with a solid national presence. We work to identify ongoing solutions through effective, professional corporate management combined with proven support resources:

- Web-based Quality Management System (QMS)
- Web-based Contract Management System (CRM)
- Electronic Time Management Technology
- Professional Advisors of Industry and Subject Matter Experts
